

HIGH PRESSURE LAMINATES (HPL)

LUMMIA®
PERFECT MATT

TAFISA®

PRODUCT DESCRIPTION

This HPL is an excellent material for indoor surfaces that is suitable for both horizontal and vertical applications. It is recommended for a wide range of interior designs, such as home, hospitality, healthcare, and commercial applications, e.g. kitchens and bathrooms, work surfaces, furniture, construction, doors and wall claddings.

PRODUCT FEATURES

Outstanding anti-fingerprinting

Smooth, velvety touch

Easy maintenance

Highly scratch resistant

Remarkable colour depth

Phenol Free Core

Acrylic Resin + EBC Curing Process allowing high scratch resistance and anti-fingerprint properties

PostForm Grade (postformable)
See Technical Data Sheets for details

Thermal healing properties

Perfect match to Tafisa's Lummia panels and available through the same supply chain

HOW IT'S MADE

LUMMIA PERFECT MATT laminates (HPL) offer a complete and harmonized line to our LUMMIA PERFECT MATT lacquered panels.

This product has an innovative phenol-free core and a top transparent acrylic coating that is cured by an EBC (Electron Beam Cured) process. This coating is applied over melamine impregnated décor paper. The result is an incredibly smooth and perfectly mat finish (Gloss level at 60°: ≤ 6) with anti-fingerprint properties, high scratch resistance and can be postformed.

SHEET SIZE & THICKNESS

Dimensions

52" x 109" (1 320 mm x 2 743 mm)

*Customizable Length up to 17' with low minimum order quantity of 5382 ft² (500m²)

Thickness

0,8 ± 0,10 mm (0,0310 ± 0,004 in)

ANTIMICROBIAL ACTIVITY & EFFICACY

SURFORMA® decorative laminates have a non-porous surface that does not promote bacterial growth.

Tested according to the method **ISO 22196:2011** and verified for its compliance with the Japanese criteria defined in **JIS Z2801:2012** for antimicrobial activity and efficacy, our laminate surface exhibits strong biocidal properties, with a reduction of 99,9% of the tested bacteria (Escherichia coli ATCC 8739, Staphylococcus aureus ATCC 6538).

STANDARDS

SURFORMA, S.A is certified under **ISO 9001** Quality Management System.

SURFORMA, S.A is certified under **ISO 14001** Environmental Management System.

SURFORMA, S.A is certified under **ISO 45001** Occupational Health and Safety Management System.

The **GREENGUARD** Environmental institute has awarded its Indoor Air Quality Certification for SURFORMA, S.A. All SURFORMA, S.A. laminate product types were tested under the stringent GREENGUARD standard for low-emitting products. All GREENGUARD Indoor Air Quality Certified products ensure minimal impact on the indoor environment. For a copy of the certificate, visit the site www.greenguard.org
